A CLEAN HEART

Hinshaw Music, CHC5014, SATB, \$1.95

Written by Bob Burroughs and Mark Hayes, this lyrical throughcomposed anthem is based on the well-loved text from Psalm 51. Traditional in style and form, this anthem begins with a quiet, prayerful supplication, "Create in me a clean heart, O God." Burroughs and Hayes have masterfully wed the music and text, creating dramatic, emotional peaks at times, in contrast to the quiet whisper of the more introspective passages. The piano accompaniment is particularly expressive and creative. This anthem is suitable for Lent, dedication, and consecraation emphases.

A GAELIC ROSE

A charming flute obbligato and lyrical accompaniment enhance the Gaelic flavor, while the stately and powerful ending conveys the great and mighty wonder of Christ's birth. The flute part is available as a download through Lorenz.

Jubilate Music, 22089, SATB, \$2.25

"Above All" is a powerful choral arrangement of Lenny LeBlanc and Paul Baloche's contemporary classic. The text provokes thought and wonder at the sacrifice that Christ made for us, thinking of humanity "above all" as He faced the cross. Hayes' adaptation is true to the pop ballad style and the syncopated rhythms of the original tune, and he expands the praise chorus to an anthem through expert treatment of voicing and partwriting. Old and new are joined by the common theme of adoration to God. Building in excitement and grandeur, Adoration Medley then ends with a quiet moment of intimacy. AIN'T-A THAT GOOD NEWS!

Alfred Music, 21822, SATB divisi, a cappella, \$2.95

Mark Hayes has written an exciting arrangement of this traditional spiritual that deserves to take its place among the settings by other great spiritual arrangers, such as Moses Hogan. Each of the familiar verses receives unique treatment as the choir sings intricate harmonies and crisp rhythms across the entire spectrum of dynamic levels. Following a superbly-crafted key change, the final verse leads to an all-stops-out finish that will reverberate in the hall until masked by rousing applause! Excellent choice for exprienced church, collegiate, or community choruses able to handle the a cappella tuning challenges and the 8-part divisi.

ALL CREATURES OF OUR GOD AND KING

Shawnee Press, 35000450, SATB, \$2.50

This classic setting of LASST UNS ERFREUEN receives new life with a full, symphonic orchestration. This is one of Hayes' finest hymn settings. It begins with a big, expansive choral fanfare and then starts the first verse a cappella. The women and men are each featured separately for a verse before the classical sounding polyphonic interlude, leading into the final triumphant stanza. Excitement will pervade your Easter season service as your choir shares this musical celebration of the risen Lord! Though the beautifully descriptive text was penned by Bishop Chr. BLESSED ARE YOU

Beckenhorst Press, BP1671, SATB, \$2.25

The Beatitudes form the basis for the text of this original work by Mark Hayes, and he does a masterful job setting those scriptures to a lovely lilting melody written in compound meter. The G-minor tonal center of the verses contrasts with that of its parallel major in the refrain, and rich sonorities abound throughout the piece. The partwriting is straightforward, and there is a fair amount of unison and echo singing among the parts, making this anthem quite accessible to any experienced church choir. The accompaniment plays an important role in the piece, providing motion and momentum through the use of 16th notes; it is somewhat challenging but very satisfying to play. BLESSED ASSURANCE

Beckenhorst Press, BP1617, SATB, \$2.25

This anthem has everything you like to see in an arrangement of this much-loved hymn: a shuffle-feel rhythm, soulful voice parts with a touch of blues, and a relaxed, but highly rhythmic piano accompaniment that your pianist will love! Hayes sets this familiar tune with a gospel feel that perfectly fits the shape of the well-known melody. The first verse and chorus are "hymnal-style" voicing, with added black-gospel articulations and stylings. Unison ladies have the second verse melody supported by 3-part men in an echo format; the guys then take the melody on Verse 3 with an SSA backup. Two modulations and an improvisational-style extension of the last phrase of the chorus, featuring independent lines for each voice part, help build the piece to an "all-stops-out" finish.

You can be sure that there will be much swaying and handclapping throughout – by both the choir and the congregation! Moderately difficult due to 6-part divisi; suitable for any service.

SATB with opt. oboe obbligato, \$2.40

Mark Hayes and Pamela Martin have collaborated on this beautiful communion anthem, which invites everyone to "come to the table" to be restored and revived and to partake of the everlasting life offered by Jesus Christ. Hayes sets Martin's text simply to a flowing accompaniment with much unison and 2-part voicing, mirroring the simplicity of man's faith-response to Christ's invitation of salvation. Accessible to any chorus, this is sure to be a piece you use again and again for communion and commitment services. Oboe part included with octavo.

BREATH OF LIFE

Hinshaw Music, HMC1889, SATB, \$2.55 Contact: J. W. Pepper, Product #8059716

Possibly one of the most inspiring pieces available today, this anthem will speak to the souls of all who sing and hear it. Haves brings to life the richly poetic text by John Parker as he musically paints it with harmonic and melodic skill. He uses a simple, unison melody to set the lyrics describing the pre-creation void, gradually adding parts as the text asks, "Who plants the seed that causes life to be?" The piece then builds dramatically, both in texture and dynamics, as the refrain gloriously states, "God is the breath of life!" After new bridge material, the refrain returns, this time as, "You are the breath of life!" Hayes uses tonality changes very effectively to set each section apart, and the refrain features a sweeping melody accompanied by lush harmonies. There is some 6-part divisi in the majestic finish, but the partwriting throughout is guite accessible to most choirs, and the relatively challenging piano accompaniment is integral to the piece. This powerful anthem praising God as Creator would be appropriate for general use and will be one that you reach for again and again!

CALVARY'S LOVE

A very unique and special Hayes treatment of the song made popular by Steve Green. An evocative piano accompaniment sets the early intimate mood describing the quality of love found at Calvary. This launches into an orchestral-like choral treatment of the powerful chorus and then recaptures the contemplative beauty of the text, "sins atoned and heaven gained." This is appropriate year-round, and has a beautiful and somewhat challenging piano part, and moderately difficult choral parts.

CAROL OF THE BELLS

The classic "Carol of the Bells" is given a fresh and contemporary twist by Isaac Cates. The initial statement delights with equal parts homophonic and polyphonic writing, underscored by a delicate yet powerful piano accompaniment. The ending is where Cates' true genius shines. He showcases the choral singers in an unaccompanied SATB divisi section where all nine voice parts are added layer by layer to create an amazing tapestry of bell-like sounds... all with a soulful edge. Precluded by vocal pyramids built on quartal harmony, the piece ends on a single unison note, replicating the tolling bell as it dies away. This is perfect for your holiday concert!

The bridge features a "lead" vocal line for the guys with SSA back-up that builds to a final refrain and a dynamic finish. †CHILDREN'S SUITE

Jubilate Music, 19143, SATB with opt. children's choir, \$1.40

Three beloved traditional hymns, "Praise Him, All Ye Little Children," "All Things Bright and Beautiful," and "Jesus Loves Me," are woven together beautifully to create an arrangement "tailor-made" for a child or family dedication service, Vacation Bible School kick-off, or any special children's celebration. To open, Hayes utilizes some metric alterations in "Praise Him" to give it a fresh, energetic sound. A children's choir may join your sopranos or sing alone on the melody of "All Things Bright and Beautiful," which is at first lively, then lyrical, to form the second section of the piece. The setting of "Jesus Loves Me" that closes the anthem has rich harmonies that enhance without complicating the beautifully simple melody that is so precious to all children of God. An upward modulation on the last refrain sends that melody soaring in its timeless statement of faith: "Yes, Jesus loves me!"

Considerable unison and 2-part writing in the first two sections balances some 5-part divisi at the end to make this of medium difficulty. Also available in SAB voicing.

†CREDO

Heritage Music Press, 15/2239H, SATB, \$2.20

Originally written for the International Children's Choir Festival in Canterbury, England, this piece is perfect for all ages. The text speaks of imagination, creativity and possibility. It encourages the singer to live life to the fullest with declarative statements such as "I am hope, I am love, I am a servant, I am peace." Its lightly rhythmic melody flows and soars, and the piece ends quietly with the reflective affirmation, "I am peace."

CROWN HIM WITH ALLELUIAS

Allegis, 3107935, SATB with narration, \$4.99

This "resurrection celebration" is an extended octavo for Easter (approximately 10 minutes) which is perfect for choirs who want to program more than a 3-4 minute anthem on Easter Sunday morning. It is a viable alternative to doing a large Easter work or pageant. Set in 3 sections with narration and choral speaking, this anthem lends itself to judicious cuts and may also be performed in sections. The first song is a rousing, rhythmic call to "set the alleluias free," to awake within us unrestrained praise for the gift of resurrection life through Jesus. The next two selections are the well-known Easter hymns, "Christ the Lord Is Risen Today" and "Crown Him with Many Crowns," both arranged to include congregational involvement. The entire anthem is seamlessly designed to move from one selection to the next, starting with a choral call-to-worship and ending with a glorious choral climax. Meaningful, scripture-based narration is interwoven throughout and masterfully underscored to heighten the beauty of the text.

DAY BY DAY

Augsburg Fortress, 9780800658342, SATB, \$2.25

A part of the St. Olaf Series, this beloved Swedish hymn features lush harmonic writing, an a cappella section, a dramatic modulation, and an exquisite piano accompaniment. Hayes has incorporated the African-American spiritual, "All Day, All Night" into this arrangement, tying in the concept of guardian angels watching over us as we walk with God day by day, through whatever trials and joys we experience. Moderately difficult, this anthem features some divisi writing and is suitable for college and adult level choirs.

DEEP, DEEP LOVE

GlorySound, 35005227, SATB with solo, \$2.50

Peace is the mood so effectively achieved in this Hayes arrangement of Terry Butler's work. The text of this piece is a prayer of gratitude for the all-sufficiency of God's love in our lives. The peace and satisfaction that we find in God's love are mirrored in the gentle, rhythmic cut time setting and singable melody line. In the style of an expanded praise chorus, it is extremely memorable, with the soloist introducing the melody followed by a 4-part setting for the choir. Syncopation gives the melody a contemporary feel but is never rushed, thus contributing to the sense of being settled in the love of God. The addition of the soprano sax completes the mood.

Perfect for high school church choirs or praise and worship teams, this song would program well throughout the year and especially at Thanksgiving.

DELIGHT YOURSELF IN THE LORD

Lindsborg Press, 9509405, SATB, \$2.75

This is a must-see anthem! Program it as a refreshing contrast in any concert or service with its 6/4 meter, open harmonies, and unique orchestration. The text, an adaptation of Psalms 37 and 126, reminds us of God's goodness and faithfulness. A hauntingly gorgeous melody with a Celtic flavor opens this piece, evoking images of the rolling hills of Scotland. The bass beneath it mimics the drone of a bagpipe, providing the foundation of the traditional Celtic harmonies in the accompaniment and voices that is so musically satisfying! After a short contrasting section with a change in meter to 4/2 and in harmony to rich, altered-tone chords, the first theme returns, the parts written more fully to declare, "Delight yourself in the Lord!" Much unison and 2-part writing paired with straightforward 4-part writing and a relatively easy piano accompaniment make this accessible to almost any SATB choir. Check out

DIDN'T I SEE MY LORD?

GlorySound, 35005323, SATB, \$2.50

This engaging Easter piece by Mark Hayes is an original composition, set in the style of a gospel song or spiritual. Strophic in form, the first 2 verses ask, "Didn't I see my Lord, prayin' in the garden," and "...hanging on that tree?" making this anthem suitable for Lent as well as Easter. The 3rd verse quotes the well-known song, "Were You There?" while affirming, "I didn't see Him rise, but I know He is alive, for He lives inside of me." Because of the accessible partwriting and substantial repetition, this anthem could be learned in 2 or 3 rehearsals. The piano accompaniment features gospel harmonies, easy syncopated rhythms, and is playable by any good intermediate pianist. Perfect for contemporary or blended worship, Mark Hayes has combined the popular praise and worship song "Draw Me Close" with the beloved hymn "I Need Thee Every Hour." The easy ballad feel of the first song flows easily into an updated version of the hymn in 4/4 time. †DRY BONES

Alfred Music, 17792, SATB, \$2.20

This may be the "definitive" setting of this classic spiritual! The initial section contains some new material by Hayes that tells in a musical story style how Ezekiel heard God speak to him in the valley of the dry bones and what the real meaning behind the song is. The style of the familiar chorus has a Latin feel, and Hayes has set it in a minor key which makes it sound like something you might have heard in a New York nightclub in 1930! Suffice to say the highly rhythmic accompaniment and harmonies are very appealing and entertaining, although very easy to sing. There is much unison and 2-part writing. The last two choruses are in D major, and sound like an entire graveyard of skeletons are dancing their hearts out—lots of xylophone, congas, brass, sax, and unusual percussion instruments create a surfire program finale. This arrangement is screaming for choreography, and your audience will not be able to sit still.

EASTER GLORIA

This celebrative anthem by Mark Hayes, with text by Bill Leach, is set in a rolling 6/8 meter in D major. The first verse starts with an almost lullaby quality chronicling the birth of Christ. The chorus erupts with a joyful "Gloria in Excelsis Deo" in response to the Good News. The second verse is set in a slower minor mode, depicting the crucifixion of Christ. This is followed by an instrumental interlude a full third higher leading into the glorious third verse, celebrating Christ's resurrection. The anthem finishes with a reprise of the first Gloria section, building to a joyous conclusion. "Easter Gloria" can be further enhanced by the optional trumpet part and is especially suitable for Eastertide.

EVERY NIGHT AND EVERY MORN

Heritage Music Press, 15/1144, SATB, \$2.20

Taken from a William Blake sonnet, this text expounds on the mysteries of life, how some are born to a life of joy, some to sorrow, and that these experiences are mere threads in the tapestry of human existence. The tune is somewhat modal, with a decidedly minor color, set in 6/8 time. The piano part is especially beautiful, moving from delicate pianissimos to forceful fortes, and finally to a quiet resolution. Suitable for school and community use, the partwriting is easy-to-medium difficulty and uses substantial unison, 2-part and simple canonic writing. This would be a perfect contest or concert piece.

Your choir won't be able to stand still while performing this one, and the audience will be on its feet when it's over. An experienced church or college choir is needed to do it justice. FAIREST LORD JESUS

Beckenhorst Press, BP1582, SATB, \$2.25

Commissioned by the church music conference, Jubilate, in Austin, Texas, this hymn arrangement is a gem. Hayes creates an impression of peaceful worship, beginning with his setting of the lyrical CRUSADER'S HYMN tune in 12/8 with unison SATB voices accompanied by a flowing, arpeggiated piano part. A 4/4 a cappella section follows, full of rich harmonies, that challenges your choir to sing with great musical sensitivity. A soaring soprano descant over the full SATB chorale of the fourth stanza and a polyphonic augmentation of the last phrase, "Now and forevermore be Thine," bring the piece to a satisfying close. The partwriting is of medium difficulty, but ample unison portions make the piece accessible to most choirs, and this anthem is well worth the rehearsal time... the perfect one to have "waiting in the wings" to be sung again and again!

FAR ABOVE ALL

Lindsborg Press, 797242195792, SATB, \$4.25

Majestic and powerful, this original by Mark Hayes perfectly reflects the text based on scripture from Ephesians I that emphasizes Christ's power and supremacy. Constructed almost like a rondo with the recurring portion being the refrain, it has several unique sections. It opens with a gentle chorale that has 4- and 5-part harmony and then moves suddenly into a faster, more dramatic and rhythmic section that leads to the stately refrain. The next section has the men echoing the ladies on descending chromatic fifths, creating a delightful effect above a staccato accompaniment. After the next refrain. Haves masterfully builds excitement to the end as the basses present a new, more contemporary, melodic motive, followed by staggered entrances of the tenors, harmony on the words, "Jesus Christ is far above all!" The 6- to 8-part divisi, the need for vocal independence, and the extended length make this a challenging anthem, but it is well worth the effort to prepare and would be excellent as a concert finale for an experienced church choir or a combined festival choir.

Shawnee Press, 35006968; J. W. Pepper, 3256385, SATB, \$2.50

An up-beat text, an extremely singable melody, and lots of rhythmic excitement make this contemporary piece by Mark Hayes a great choice for your top junior high or younger high school choir. The lyrics speak of the bright future ahead for today's young people and then implore the listeners to be a part of that future by encouraging, challenging, and guiding the next generation as they "spread their wings and fly!" Though there are sections of 4-parts, the majority of the anthem is unison or 2-part, and the ranges of the voices are carefully written to make them readily accessible to younger singers: a rhythmic whispering/speaking section is particularly suited to that age and effectively builds excitement leading into the final refrain. The piano accompaniment is not difficult, and you will find the instrumental parts or accompaniment CD to be a dynamic addition to your performance.

Perfect for end-of-year concerts and graduation events.

Looking for a new twist on some favorite Christmas carols? Mark Hayes gives you just that in this anthem! The piece opens with the standard chorale-style refrain of "God Rest Ye Merry Gentlemen" to be sung either with the provided accompaniment or a cappella. As the piece develops, you'll find a verse of "Joy to the World" and the refrain of "Angels We Have Heard on High", both energized by this fresh, exciting style. The intensity builds all the way to a rousing finish with a 6-part divisi chord. The ranges and partwriting are very "singer-friendly", and the piano accompaniment is fun and not

The verses are almost exclusively unison, and the refrain has such straightforward partwriting that this piece is easily accessible to any 4-part chorus—youth choirs will love it! GLORIA IN EXCELSIS DEO

Exaltation, 10/2835L, SATB, \$2.50

This anthem has an epic feel to it even though it is just under three minutes in length. In it, Hayes combines some of the traditional Latin of the Gloria with his own text to share the glorious message that the angels sang that first Christmas. The instrumental introduction generates excitement immediately, starting softly and building to the choir's fortissimo first entrance — it just explodes! Mixed meters abound, particularly 6/8 to 3/4, and majestic fanfare pervades the entire piece save for one contrasting section that is softer and lighter. Though it is vocally demanding and there is 6- to 8-part divisi throughout, the partwriting is straightforward and the range requirements are reasonable. An accomplished pianist is required for the accompaniment, and you won't want to miss a look at the orchestration. A great piece to open - or close! - next year's school or church Christmas program.

HYMN MEDLEY

Radiant, ES324B, SATB with solo, \$2.65

From the worship musical, <u>Jubilate</u>, this medley begins with a delicate setting of "Holy, Holy, Holy," and ends with a stirring "Be Exalted, O God." HYMN OF ADORATION

Hal Leonard, 35032668, SATB, \$2.25

This well-crafted anthem is an epic declaration of worship and devotion. From the opening piano arpeggios and the Latin choral text, the piece hints at great masterworks of the past. The well-

loved hymn tune, NICEA, is initially introduced by the altos and moves artfully through multiple key changes in a traditional chorale style. Hayes then introduces the timeless hymn, "Joyful, Joyful, We Adore Thee" by Beethoven in an ebullient 12/8 meter. The final stanza features congregational participation and a soaring soprano descant. HYMN OF GRATEFUL PRAISE

Monarch, 10/3387M, SATB, with opt. cello, \$2.65

This exquisite original anthem by Mark Hayes captures the wellknown hymn text "For The Beauty of the Earth" and breathes new life into it. Set in a reflective, lyrical style, it uses a flowing triplet accompaniment and features a gorgeous new melody. Each verse incorporates a minor third modulation into a new key, which serves to build the intensity of the piece.

After a joyous final stanza, Hayes concludes with quiet restatement of the line, "This our hymn of grateful praise." Consider using the optional cello part to enhance the beautiful piano accompaniment.

I AM

Jubilate Music, 29234, SATB, \$2.95

This dynamic, contemporary sounding anthem uses text adapted from the Gospel of John. In the latter years of Christ's life, He began to reveal His true identity. It was through these descriptive revelations that His followers (then and now) come to understand the truth of Christ. Originally recorded by the Gary Bonner Singers, this is appropriate for worship or concert all year long—for those discriminating directors looking for something "a cut above the rest" but worth the extra effort.

I GO TO THE ROCK

Carl Fischer, CM8820; J.W. Pepper, 8063368, SATB with solo, \$1.95

Going to the rock in an up-beat gospel swing—Hayes' arrangement of this Dottie Rambo favorite is a winner! You'll need a soloist with soul who can improvise comfortably because he or she will be featured throughout the piece, right up to the big finish. The choir does take the spotlight some and enjoys relatively simple 4-part harmony and dynamic syncopation that infuses the whole piece with energy and excitement. The only challenge for the accompanist is in the area of rhythm because the swing and syncopation must be solidly played; don't miss the chance to take a look at the instrumental parts! This octavo is a haunting and sensitive SATB arrangement of the familiar early American tune that features a flowing piano part, gorgeous chord substitutions, and a slower tempo which highlights the depth of the text. I WILL BE THAT PEACE

Holmes Street Publishing, HSP1027, SATB, \$2.10

Mark Hayes has crafted a compelling anthem that calls us to be the peace the world needs, based on the words of Lao-Tzu, a Chinese philosopher who lived in the 6th century BC. After the beautifully melodic A section, he uses the word "peace" in twenty foreign languages juxtaposed against a counter melody that states emphatically, "Peace is not a dream. It can be achieved one person at a time." After the return of the final, inspiring chorus, the piece ends with the quiet but heartfelt promise, "I will be that peace." IN PERFECT HARMONY

Hinshaw, HMC1846; HL08764193, SATB, \$2.45

A rhythmic fanfare of piano and voices opens this anthem in majestic style, leading to the main body of the piece. The common thread throughout all verses is the stately melody, singable and memorable, introduced by unison voices, but heard primarily in a homophonic setting employing rich harmonic progressions. An extended a cappella verse enables the listener to better hear the "perfect harmony" described by Hayes' text. It centers around the truth that though we are all unique, we are all God's creation and should live together in unity. The piece closes as it began—with a glorious vocal fanfare.

The a cappella section, 6- and 8-part divisi writing, and a moderately difficult piano accompaniment make this anthem most suitable for an experienced church or festival choir, and it would be an excellent choice for a concert opener or finale or a Sunday morning music witness to encourage unity in your congregation. Excitement from beginning to end!

IT IS WELL WITH MY SOUL

Beckenhorst Press, BP1581, SATB with piano and organ acc., \$2.25

Hayes has once again delivered a "must-have" anthem for every experienced choir's library in his setting of this much-loved hymn. Each of the four verses has its own unique musical treatment, while each refrain presents beautiful variations of the traditional "echo" setting. The first verse has the familiar tune in a treble unison over a flowing piano accompaniment. Providing a dramatic contrast, the second verse is in a minor key with added rhythmic interest and organ accompaniment as the tenors and basses take the spotlight. Hayes then masterfully paints the text of the 3rd and 4th stanzas with a return to the major modality, beginning with a lovely a cappella chorale that gradually builds vocally and instrumentally to the triumphant climax, "It is well with my soul!" Wonderfully-woven modulations and lush harmonies set the final refrain as the anthem peacefully draws to a close.

The piano and organ accompaniments require a significant skill level, and the vocal parts are challenging due to the 5-part divisi sections and the creative harmonizations in the partwriting. However, the piece is quite accessible to accomplished choirs who would find its timeless message suitable for any season or service. This anthem can be performed with piano only if desired.

IT'S A WONDERFUL CHRISTMAS

Daybreak, 8741510, SATB with solo, \$2.50

Part of the <u>Sing a Merry Christmas</u> series, this entertaining medley starts with "It's the Most Wonderful Time of the Year" in a jazz waltz full of pizzazz. This song features much unison and 2-part singing and would be well-suited to choreography or an opening dance sequence. The mood changes with the second song, "The Christmas Song," widely-known as "Chestnuts Roasting on an Open Fire." This song is a perfect opportunity to showcase an ensemble or voices that can handle lush jazz harmonies and divisi partwriting. The piano accompaniment in this section is particularly creative and requires a jazz sensibility.

The medley concludes with a well-known Christmas song as sung by Barry Manilow, "Because It's Christmas." This moving ballad starts with a medium voice solo with choir backup and builds to a passionate ending, concluding with the musical wish, "Merry Christmas to us all!" Perfect for school choirs, community choruses, and church Christmas pageants. Spectacular track and orchestration are available.

John Parker has created a wonderful text based on the beloved passage from Philippians 2:5-11. Musically, the anthem begins with a flowing trademark Hayes' accompaniment supporting a lyrical unison melody. The anthem builds to the chorus, which has an inspirational, but stately, feel to it with full SATB writing. This anthem has several repetitive sections and can be learned quickly. JESUS, LOVER OF MY SOUL

Beckenhorst Press, BP1698, SATB, \$2.25

Charles Wesley's timeless words are beautifully set in this Mark Hayes original, and the result is a mood of introspective peace. Though the text retains its strophic form, the verses are each set uniquely. Unison voices present the sweeping melody on Verse One; the subsequent three verses are 4-part chorale style with rich sonorities and melodic variations. The 4th verse builds to a dynamic and harmonic climax and then ends reverently, as a prayer. The moderately difficult piano accompaniment flows beneath the voices, supporting and urging forward. Appropriate for any type of service and accessible to most adult choruses, this anthem will provide your choir the chance to sing expressively as they voice this fervent prayer.

This arrangement is perfect for youth and adults alike as well as contemporary ensembles. The triplet laced rhythms will be a perfect chance to work on good diction with your choir. Its flowing, folk-style melody is easily learned and incorporates a "partner song" device enabling the "Amen" section to be sung simultaneously with the scripture-based text.

Much unison and 2-part writing make this a snap to learn. It is virtually a "one rehearsal" type of anthem, yet it has deep emotion and communicates a timeless promise to the listener and singer alike. Set for piano, it can also be accompanied by organ.

Monarch, 10/3349M, SATB with opt. flute, \$2.65

Jazz meets Gregorian chant in this delightful new setting of the familiar French carol! Hayes begins traditionally enough with an imitative chant-like introduction of the melody in each voice part, developing into homophonic, chordal writing. As the choir sings "keep silence" in open 5ths, the rhythm section enters in a gentle jazz waltz feel featuring a solo flute. The smooth harmonies and

simple unison writing in the choral parts complement the accompaniment very well. Hayes brings the arrangement to a close as the choir repeats the phrase "keep silence" and the instruments fade away. This is a very dynamic arrangement even though the dynamic levels rarely go above mezzo forte. Use it to showcase your choir's ability to sing softly. The solo flute part is included in the back of the octavo.

The excitement of this piece will energize your choir and congregation, making it an excellent service opener, especially a service with an emphasis on missions. Hayes has adapted the text from Isaiah 55:10-11, a passage which promises that God's Word, when shared by His people, will always accomplish His purpose. The form of this traditional anthem is a rondo, the "A" section of which has a stately feel with all four parts singing in a declamatory manner over the spectacular organ accompaniment. A key change, a gentler accompaniment, and a more legato chorale-style voicing provide contrast for the "B" section.

After a return of the main theme comes a beautiful prayer of thanksgiving, each voice softly entering in turn over the organ pedal tone, providing a reverent contrast to the rest of the piece. An organ interlude leads back to the final setting of the "A" theme, this time enhanced by a soprano descant. All stops are out at the end, the rafters are shaking, and everyone is prepared to "let the word go forth"! Straightforward partwriting and a fair amount of unison help make this piece suitable for any adult choir, and your organist will love the accompaniment.

Alfred Music, 21820, SATB, \$2.95

Arranged in the traditional spiritual format, this Hayes setting is one that can be prepared quickly and used successfully in a variety of programs in churches or schools. Rhythmic and energetic, it is easy and fun to sing, particularly in the refrain where the joy of the promise that, "there ain't no dyin' over there," is so beautifully reflected in the music. The piano accompaniment is not difficult, nor are the voice parts or rhythms, so this piece is accessible to almost any high school or adult chorus.

LORD, I REMEMBER YOU

Exaltation, 10/3342L, SATB divisi, \$1.95

John Parker, a true wordsmith, has crafted a compelling lyric that is perfect for communion or thanksgiving and also works as a general anthem. Through all the ways we see God displayed in Nature and through the sacrifice of His Son, we are moved to express our love and say, "Lord, I remember You." Hayes has crafted an exquisite lyrical melody, with lots of unison and accessible 4-part writing. As we have come to expect, his piano accompaniment contains lush harmonies, artistic embellishments and plays well in the hand.

LORD MOST HOLY

Genevox, 0767302249, SATB, \$1.79

Penned by Amy Foster and Niles Borop, "Lord Most Holy" is a simple, but poetic prayer in the form of a 3-stanza song, acknowledging the holiness of God, and asking the Holy Spirit to come dwell within us and pour His lifestream on us all. Artfully arranged by Mark Hayes, this setting evokes a serene, worshipful mood by use of contemporary, yet simple harmonies and lyrical melodic writing. The original tune is almost hymn-like and very easily learned. This exquisite setting closes with a chorus from Franz Schubert's "Holy Is the Lord," which blends the contemporary and classical idiom. Suitable for evangelical and mainline church use throughout the year. Try this as a prayer response. Easy to moderately difficult.

LOVE

Lindsborg Press, 797242196096; J. W. Pepper, 9509408, SATB with baritone solo, soprano solo, \$4.25

Harmonic colors abound in this anthem, another of Mark Hayes' settings of scripture: the love chapter, I Corinthians 13. The piece opens in G minor with the choir providing vocal accompaniment beneath two soloists who sing the truth that having everything without love is actually having nothing at all. The chorus then joins them as the piece moves to the G major refrain, richly harmonized for 4- to 6-part homophony. The next section provides contrast in meter, tempo and vocal treatment. Dance-like, it is in 3/4 time that is conducted in one and presents the melody alternated between ladies and men. First, each part is in unison and then parts are added, and the dynamic level builds to the powerful assertion that "Love bears all things, believes all things, hopes all things, endures all things!" Finally, comes a grand return of the refrain, softening as the choir repeats with awe the word "love" in beautiful harmony very effective! Moderately difficult because of the 6- to 8-part divisi throughout, this piece is well within reach of good adult church choirs and would fit almost any type of service.

Harold Flammer, 35013991, SATB, \$2.50

Infused with excitement at the birth of "God's Son so dear," Hayes' arrangement of this centuries-old French carol brings a fresh touch to sacred or secular holiday concerts. The text, written by William Morris in the nineteenth century, tells the story of one who meets the shepherds as they travel to Bethlehem to see Jesus. The form of the piece is short verses with a repeated refrain, but Hayes' treatment of it is anything but repetitious. He uses a lively 12/8 meter and the techniques of singing in round, augmentation, harmonic chord substitution, and transposition to lend variety to the simple, minor-mode melody and achieves dynamic results. The vocal parts are not difficult and are delightful to sing; some SSA divisi. The sprightly tempo presents the only challenge to the pianist who will enjoy providing the impetus to the piece through running 8th notes; don't miss the opportunity to hear the orchestration!

MY PRECIOUS DYING LORD

Brookfield Press, 8743926, SATB with oboe, \$1.60

Hayes crafts a beautiful, haunting melody to set this deeply moving text by John Parker, communicating the message of the words so effectively through its minor modality and even 8th-note rhythms. Parker's text personalizes the crucifixion experience as the choir both grieves and praises the sacrifice of Christ on the cross as though present at that event. Hayes contrasts the quiet melody of the verses with a powerful bridge that expresses gratitude for Jesus' sacrifice and leads to an echo section on the words "Kyrie eleison"—Lord have mercy. The piece ends as it began—poignantly, providing a perfect moment for introspection and prayer. The oboe part is included in the choral score, and the instrumental part is a wonderful addition. Accessible musically to any choir, this anthem is an excellent choice for the Easter season, especially a tenebrae service.

NOTHING CAN SEPARATE US

Quoting the New Living Bible translation of Romans 8:31-39, this stately anthem soars with drama and passion. The initial section is set in D minor, mildly reminiscent of Orff's "Carmina Burana" and boldly proclaims "If God is for us, who can ever be against us?" Using a through composed form, Hayes artfully supports the scriptural text using several tempo and mood changes. The final section is a regal fugue in D Major that frames one of the great promises in this passage, "I'm convinced that nothing can separate us from His love."

Written for Dr. Gary Bonner and the Gary Bonner Singers, this is an epic piece that calls for a choir that enjoys a challenge. †ON EAGLE'S WINGS

Jubilate Music, 16104, SATB, \$2.30

Despite several other arrangements of this beloved song, Mark Hayes may have arranged the definitive setting! Incorporating new lush harmonies and an exquisite piano part, Hayes has managed to keep the beauty of the original tune but add a dimension of emotion that is very powerful. The last chorus modulates a full third above the original key for a climactic build and elongates certain melodic phrases in such a way that you feel as if you are soaring above the earth...on the wings of an eagle. The sensitive and intimate ending leaves the listener with a quiet sense of peace and hope. This anthem is appropriate throughout the year and especially for baptisms, funerals, weddings, baccalaureate programs, and for early Lent. A song of scope and celebration, this piece sings of the Church and the Lord she serves. The eternal attributes of the Triune God intersect with the worshipper's grateful praise in an elegant text with approachable and deeply expressive music. A convincing accompaniment offers an orchestral quality to the sonic success of the composition. Masterfully melodic but filled with interesting harmonic color, this anthem will help you commemorate your church's legacy.

†ONE BREAD, ONE BODY

Jubilate Music, 19880, SATB, \$2.25

This is the ideal piece for your next communion service, for the John Foley text based on verses from I Corinthians emphasizes our unity in the Lord as we share the bread and the cup. Mark Hayes has given the piece a contemporary feel in his arrangement with a flowing, yet rhythmic, piano accompaniment and vocal parts that are quite accessible and very satisfying to both singers and congregation. Strophic in form, the song opens with the refrain, which recurs after each of the two verses; the 2nd verse builds to a forte return of the chorus in a strong unison, emphasizing the strength of unity in the body of Christ. It then opens into fully-voiced four parts, finally tapering to a gentle ending. Any youth or adult choir would benefit from having this piece as a part of its repertoire to be programmed again and again.

ONE WORLD

Shawnee Press, 35016287, SATB with optional solo, \$2.50

This wonderful pop ballad by Mark Hayes is inspiring on every level. Musically it is reminiscent of a sumptuous Broadway musical ballad, with a dramatic introduction, intimate first verse, soaring chorus, and blockbuster ending. This is a melody that is truly memorable and beautiful. The first verse can be sung by a soloist or unison women. The lyrics were written from the perspective of a child, dreaming of a world where "all is right" and of a world that is "a place of harmony, where love abounds, and hope is found, and music rings the whole world round."

This song is a call to unity and brotherhood and tolerance for all. It is suitable for any high school, college, or community chorus, and could be used by church choirs as well. It would make a perfect closer to a concert and would work for graduation or baccalaure-

OUR HOPE IS IN THE LORD

Augsburg Fortress, 9780800677381, SATB with organ, \$1.75

The text of this dynamic anthem for SATB voices and organ is based on the well-known Isaiah 40 passage that encourages us to "rise on wings as eagles and run and not grow weary, for our hope is in the Lord." The first section features a spirited, moving melody mostly in unison with canonic effects. The contrasting middle section features 4-part harmony in a freer, reflective style, which then builds through an organ transition to a recapitulation of the first theme. The closing section features some open score polyphony and some divisi as the final phrase repeats "Our hope is in the Lord" and builds to a majestic finale. This anthem is suitable for general use throughout the year and will work best for a choir that can handle independent polyphonic phrases in each voice part and a higher tessitura.

This anthem is available only from J. W. Pepper or Mark Hayes Productions.

The SATB parts are easily accessible to any choir and follow such satisfying chord progressions, that they are quickly learned and enjoyed. PROMISE OF PEACE

Lorenz, 10/4050L, SATB, \$2.30

Inspired by the beloved nineteenth-century text "Watchman, Tell Us of the Night," Mark Hayes has composed new music that is reflective, yet powerful, with strokes of musical brilliance. The choir opens softly in unison before a full-textured, "a cappella" section. As the keyboard reenters, the final stanza gives another opportunity for artistic ebb and flow before calming into a marvelous, quiet ending.

PSALMS, HYMNS AND SPIRITUAL SONGS

Jubilate Music, 39151, SATB. \$2.05

Here is a new, energetic anthem from Mark Hayes; one that combines adherence to scripture and a hint of syncopated modernism. Not contemporary, but not traditional—it is an exciting mixture of both. It features a challenging accompaniment and exciting choral writing, but each is well within the grasp of a typical church choir. No "nodding heads" during this one!

PSALM 1

Beckenhorst Press, BP1838, SATB, \$2.25

Based on Psalm 1: 1-3, this serene, flowing anthem states, "Blessed are the ones who delight in the law of the Lord... They are like a tree planted by the water." Hayes has crafted an inspired composition in ABA form with beautiful polyphonic writing and lyrical lines that flow from one voice part to the other. The B section ventures from the G Major tonality of section A into B minor with a moving triplet figure in the piano accompaniment and more harmonic development which reaches an inspired climactic moment. The piece ends as it starts, quietly stating the scriptural promise, "Blessed are the ones who delight in the law of the Lord." What makes this even more special is the optional string quartet and oboe accompaniment.

PSALM 150

Hinshaw, HMC1545, SATB, \$3.25

This exciting setting of Psalm 150 begins in a minor modality with a unison recitative, almost in a soulful style. The next section is highly rhythmic with a complex, but playable piano part, which drives the rest of the work. This through-composed anthem also contains beautiful lyrical sections voiced in SATB homophonic style as well as a majestic polyphonic climax. Hayes' intent was to paint a musical picture that creatively describes this "orchestral psalm of praise." Some mixed meters and divisi writing make this anthem suitable for college level choirs and better church choirs. Remember – this is the psalm encouraging us to praise God with the tambourine and the clashing of the cymbals! This anthem would be perfect to open or close a concert. Hayes' unique instrumentation calls for brass, woodwinds, synth, piano, and five percussion players.

REFUGE AND STRENGTH

Beckenhorst Press, BP1716, SATB, \$2.25

Written at a spirited tempo of a quarter note at 138, this rhythmic anthem starts with a unison ascending phrase in G minor and loudly proclaims "God is our refuge and strength." The driving piano accompaniment contrasts effectively with the long choral phrasing throughout the first section. Hayes has masterfully underscored the text using easy-to-sing syncopations and bold harmonies to portray the strength and dynamism of this passage from Psalm 46. The middle section is set in G major, referencing "the river whose streams make glad the city of God," making a nice foil to the opening and closing theme in G minor. The ending showcases the piano, playing a driving progression in mixed meter as the choir sustains the final G minor chord, making for a dramatic finale.

†REJOICE AND SING OUT HIS PRAISES

Hinshaw, HMC764, SATB, \$3.25

Commissioned by a Kansas City high school, this exciting anthem demands an excellent high school, college or church choir. Text is from several psalms. The choral writing utilizes many rhythmic styles of polyphony as well as a lush a cappella section of praise to God. An excellent finale for any program. One of Mark Hayes' personal favorites!

This through-composed anthem is full of rhythmic energy and joy, calling us to come into God's presence and celebrate His faithfulness. The lyric, middle section is a prayer that we may be changed into the likeness of the risen Son as we dwell within the presence of a holy God. It is a strong general worship anthem that is also perfect for dedicatory events. Musically, it is moderately difficult with some 3-part divisi for women. The syncopated nature of the melody is accessible and is standardized throughout the composition for ease in learning. This piece has a contemporary (not pop) flavor because of the moderately fast tempo and rhythmic drive. It will be a spirited addition to any worship event and appropriate for mainline and evangelical church music ministries.

RESTORE US, GOD OF HOLINESS

Beckenhorst Press, BP1628, SATB, \$2.25

Mark Hayes has collaborated with Esther Burroughs on this epic anthem dedicated to her husband, Bob Burroughs. Mrs. Burroughs' text is a prayer for restoration and refreshment from God, a cry for Him to make us holy as He is holy. Musically, the piece is ABA in form, the "A" section being a stately 12/8 employing a pedal tone and a lilting melody. The choir enjoys both homophonic and imitative singing in this section. The "B" section is a setting of the hymn tune, NICAEA, using wonderful chord substitutions and key and tempo changes that create delightful contrast. This middle section is in 4/4 time and features a short a cappella portion for 4-part men. Hayes explores many tonalities throughout the piece, creating lovely harmonic colors, and the pianissimo "Amen" at the end is exquisite. Though somewhat vocally demanding (due to length and divided parts) and requiring an accomplished pianist, this anthem would be very rewarding for experienced choirs to prepare and present.

RESURRECTION SUITE

Jubilate Music, 11422, SATB, \$3.50

This Eastertide hymn concertato opens with the hymn "Christ the Lord is Risen Today" (LYRICA DAVIDICA) in a fanfare style, and then moves to a minor setting of the spiritual, "Were You There," which modulates to a major key for the last stanza, "Were you there when He rose up from the grave?". After a short instrumental interlude, the medley concludes with a verse of "Alleluia, Sing to Jesus" (HYFRYDOL) incorporating a soprano descant and congregational involvement. The original choral fanfare, "Christ is risen! Alleluia!" returns at the end for a majestic finale. This medley is especially suitable for smaller mainline churches who want an extended work (6-7 minutes) but do not choose to do a full-length cantata. The difficulty level is medium-to-easy and is accessible to good high school choirs as well as adults.

RIVER OF LOVE

Hal Leonard, 08753701, SATB, \$1.95

Written in a flowing 6/8 meter, the piece builds from its intimate beginning to an exuberant chorus, featuring a coda of interweaving voices near the end, calling us to the "river of God's pure love."

This Hayes' arrangement of Graham Kendrick's powerful exhortation to spread the good news of Jesus will bring your congregation to their feet, ready to rejoice that the Lord reigns and to share that truth with the world! Equipped with a toe-tapping rock beat and gospel rhythms and harmonies, this anthem is exciting from beginning to end. It is strophic in form, with an optional solo in the first verse. The 3rd verse showcases the tenors and basses on the melody, backed up by 3-part women. The refrain is very "catchy,"

and your congregation will love singing (and clapping!) with your choir each time they sing it. A "hot" riff for SSA takes the final refrain to a new level as the piece climaxes with "The Lord reigns!"

The rocking piano accompaniment is great alone or could be enhanced by the addition of brass, sax, and rhythm. Choose this anthem to infuse energy into any service or program, especially one with an emphasis on evangelism. Medium difficulty with a few rhythmic challenges.

Here is an inspired pairing of a favorite praise chorus and a timehonored hymn that will appeal to everyone in your congregation and would be suitable for general and repeated use! It begins gently with an alto solo on the melody, joined then by tenor and soprano to form a trio. The rest of the choir joins to sing the rhythmic refrain, first in unison and then in four parts. After a fully-voiced rendition of the chorus complete with key change comes "All Creatures of our God and King", providing contrast in both tonality and style. Hayes combines the two songs skillfully in a fortissimo finish that will bring everyone to the point of praise. †SIMPLE GIFTS

Alfred Music, 18720, SATB with opt. clarinet, \$3.50

This well-known Shaker melody has been creatively arranged by Mark Hayes using B^b clarinet obbligato, SATB voices, and piano. Hayes has added two additional new verses which explore the idea of living simply and the gifts that life has to offer us. One lyric says, "'Tis a gift to live simply, 'tis a gift just to sing, to celebrate life in every living thing." Through the use of polyphonic sections, mixed meter, a cappella writing, imitative motifs, and syncopations, Hayes has crafted a show-stopper that is suitable for contests and concerts alike. Moderately difficult.

†SING GLORIA! (A SONG FOR CHRISTMAS)

Jubilate Music, 20996, SATB, \$1.95

This original Christmas anthem by Mark Hayes is a winner! Upbeat and rhythmic with a contemporary feel, it is fun to sing and will give your ensemble a fresh way to share the timeless message of Jesus' birth. A very singable melody full of catchy syncopation will have anyone who hears it humming it for days afterward! Hayes' gift of providing vocal variety in a piece has never been more evident than in this one, the section in which the choir sings the word "sing" polyphonically to create a bell-like sound is particularly effective. Nestled in the middle of the piece is the first verse of "Joy to the World", revitalized by this gospel rock style...a perfect fit! There is a limited amount of 6-part divisi, but this piece is very attainable by good high school and adult choirs and would be especially suitable for a small ensemble. †SING JOY!

Jubilate Music, 19151, SATB with opt. congregation, \$2.95

The exuberant joy of the Christmas season is captured in this festive arrangement by Mark Hayes as he incorporates "Joy to the World," "For Unto Us a Child Is Born," and "O Come, All Ye Faithful" in a wonderful celebration of the birth of Christ. He masterfully pulls these three classics together, combining traditional voicing with new harmonic colors; "O Come, All Ye Faithful" is set with some particularly lovely chord substitutions. The Handel excerpt lacks the pesky melismas that sometimes prevent choirs from performing this beautiful Messiah selection, but none of the grandeur of the singing of the names of God is sacrificed! A glorious soprano descant floats over the last verse of "O Come, All Ye Faithful," and the anthem majestically draws to a close with the last verse of "Joy to the World," both arranged for congregation/audience involvement (reprintable portion included in octavo).

Be sure to check out the orchestration parts or accompaniment CD—dynamic! This one's destined to become a holiday tradition

in worship or educational settings! Medium difficulty, brief 6-part divisi at the end.

SINGING PSALMS, HYMNS AND SPIRITUAL SONGS TO GOD

Lindsborg Press, 9509407 (JWP), SATB, \$1.75

Paul's exhortation to the Colossians-to be unified in our love for God and to encourage each other by the singing of hymns—is set beautifully in this original work by Mark Hayes. He expertly sets the text using a good balance of unison singing with 4- to 6-part divisi in lush harmony. Two distinctly different sections in meter and tonality are surrounded by the refrain that urges us "to sing out psalms and hymns." The second appearance of the refrain is the dynamic climax of the piece as the melody is accompanied by contrapuntal parts in other voices. The ending is a prayer, introspective and beautifully harmonized. Metrically interesting because of changes from 4/4 to 3/4, the meters perfectly mirror the natural rhythm of the text and keep a flowing feeling throughout. The accompaniment also contributes to the flowing nature, playing more than just a supporting role to the vocal parts. Very accessible to any good

adult choir and useful in almost any type of service-a must-have for your library.

Hayes uses the elements of dynamic contrast, polyphony, and syncopation to their best potential. The stirring finale is bound to elicit a heartfelt "Amen" and rousing applause. THE COLORS OF YOUR GRACE

Monarch, 10/3347M, SATB, 2.40

This inspirational ballad was commissioned by Wyatt Park Christian Church in St. Joseph, MO. In the front of their sanctuary there is an exquisite floor-to-ceiling stained glass window designed by a world-class artist. Hayes was inspired to write an anthem that compared the beauty of color and light expressed in this window with the way God's grace shines through in our lives. As we reflect the many facets of God's grace in our daily experiences, we bring beauty, light and hope to everyone around us. Mark has crafted a melodious contemporary piece that truly captures the imagery of the text. Perfect for youth and adult choirs alike, this anthem can be sung throughout the year.

†THE FACE OF GOD

Holmes St. Publishing, HSP1013, SATB, \$1.95

Singer/Songwriter Karen Drucker was invited to write "The Face of God" by Rev. Karyl Huntley, the minister of the church where Karen was the music director. The invitation came the night before the service. Rev. Karyl was speaking on "seeing the face of God in everyone you meet." With little time to write, the song came quickly, or as Karen said, "This had to be a download from Spirit." "The Face of God" was a moving part of the service that morning as the congregants sang it to each other, tears streaming down their faces.

This short 8-measure song is simple, yet contains profound truth. We are all created in the image of God. Can you imagine what it would be like to see the face of God in everyone you meet—including the people who push your buttons? Begin by seeing God's face when you look in the mirror.

THE FIELD

Holmes Street Publishing, HSP1024, SATB, \$2.40

Rumi, a 13th c. Sufi mystic, wrote this poem centuries ago, but its message of unity and acceptance is still potent today. Hayes uses the Lydian mode in his harmonies and melodic structure throughout the composition. The augmented 4th, characteristic of this mode, creates a sense of tension and release underscoring the invitation to find a common ground referenced in the text. The final melodic statement is a haunting melody of great lyricism which starts quietly, builds to a climatic moment, and then is at rest as if to say, "we have found the field of common ground."

THE GARDEN

Beckenhorst Press, BP1707, SATB, \$2.25

This poetic text by Beverly Easterling was inspired by Tchaikovsky's Legend. Each of the four verses reference Christ's experience in a garden...the Garden of Eden, the Garden of Gethsemane and the Garden Tomb, making this anthem suitable for Lent and Easter. With a flowing piano accompaniment, the anthem is set in a strophic form, featuring the women on the first stanza and the men on the second stanza, which is written in a minor mode. Hayes expands to 4-part homophonic writing on the third stanza in the key of Db, a full third lower than the original key. After a stirring extended modulation, the final stanza returns in the key of G, gloriously proclaiming Christ's resurrection. The anthem ends with a brief coda, quietly underscoring the last few lines of text. Hayes keeps the partwriting to four parts, making this very accessible for adult choirs and some high school choirs. Ranges are not extreme, and the melody is very singable and memorable. The combination of Easterling's text and Hayes' music is magical.

THE GOD OF LOVE MY SHEPHERD IS

Beckenhorst Press, BP1525, SATB with

organ acc. and solo oboe, \$2.25

Set in a lyrical, through-composed form, this composition by Hayes wonderfully highlights the poetic setting of Psalm 23 by George Herbert. This anthem, worthy of any fine church or college chorale, is scored for SATB voices with organ accompaniment and oboe obbligato. A fuller chamber orchestration is also available. The original theme in 3/4 time is reminiscent of an English hymn tune, giving way to freely-composed sections in minor modes, leading to a glorious antiphonal section with high arching lines. The anthem returns to the final statement of the original theme before concluding softly with the final phrase, "Surely Thy sweet and wondrous love shall measure all my days; And as it never shall remove, so neither shall my praise."

"Worthy is the Lamb whose death makes me His own! The Lamb is reigning on His throne!" This Hayes arrangement of Gerald Patrick Coleman's piece is a powerful picture of Jesus as the Lamb of God. The first of the five verses presents the lovely, simple melody sung in unison, and each of the ensuing stanzas builds on it by adding voices in varying settings. The 4th verse is a cappella, providing your choir the opportunity to sing expressively and sensitively about Christ's sacrificial death. †THE MIGHTY POWER OF GOD

Beckenhorst Press, BP1616, SATB, \$2.25

Electric, energetic, exciting—this anthem is all of these and more! Hayes gives Isaac Watts' familiar hymn text the royal treatment with his original score. He uses meter changes and syncopation throughout, and builds the piece around a wonderfully rhythmic melody. Contrast is found in each verse through legato sections featuring satisfying chord progressions in lush 4-part harmony. The bridge is particularly dynamic, alternating between 6/8 and 3/4 meters with 5-part divisi voicing building from piano to fortissimo. This leads to a return of the melody, broadened by augmentation and followed by a rousing finish. Though there is some 5- and 6-part divisi, the partwriting is straightforward, making this piece accessible to most choirs.

Parts for brass and percussion are available if you wish to enhance the rhythmically challenging piano accompaniment. Suitable for any service, this one is a must for your library!

THE MIND OF CHRIST

Lindsborg Press, 9509406 (JWP), SATB, \$4.25

The magnificent text of Philippians 2:5-11 is set in a majestic manner in this extended anthem by Mark Hayes. He builds excitement through his masterful use of a rhythmic pedal tone beneath the lush 4-and 5-part harmony of the voices in the opening section which comes to a dramatic close with polyphonic entrances on the words "Obedience for all the world to see on lonely Calvary." The key, meter, and style then change to those reminiscent of the finest Baroque oratorio, with the statement of the theme by the basses and fugal entrances by the other voices, building to a return to the initial style and melody, though a full fifth higher! The final section sets the text, "That every knee should bow and every tongue confess that Jesus is Lord!" with soaring lines, full 5- and 6-part harmonization, and all the fervency and excitement due that glorious promise. Expect your audience to explode into applause and shouts of praise at the end of this one - the definitive finale to any concert!

The 6-7 minute length and the liberal use of 5- and 6-parts make this fairly demanding; orchestration is available to enhance the moderately challenging piano accompaniment.

†THE WATER IS WIDE

Alfred Music, 20187; 3286549 (JWP), SATB, \$2.25

Mark Hayes has captured the beauty and poignancy of this American folk ballad in perhaps the most effective arrangement ever done. He masterfully treats each of the four verses uniquely, beginning with a simple unison on the beautiful melody. The 2nd verse has the tenors and basses wistfully echoing the sopranos and altos; the lush 4-part harmonies and broader dynamic level of the 3rd verse cannot help but provoke a profound emotional response in both the performers and the audience. The 4th verse provides contrast as the dynamic level decreases, and the choir has an opportunity to sing a cappella, with the men taking the melody supported by the ladies' 3-part echo. Hayes then puts the perfect finishing touch to his arrangement with a musical fade on the line, "it fades away like the morning dew."

As usual, Hayes' piano accompaniment does more than just support the voices, rather playing an active role in developing the piece. High school or community choirs will find it quite accessible and will love singing it, and directors will love it for the chance it gives to teach tuning, well-supported singing, and musical sensitivity.

THIS MOMENT

Roger Dean, 15/2425R, SATB/SATB a cappella, \$2.95

"This Moment" is a tone poem, written for unaccompanied mixed double choirs. The original text by Hayes calls the listener to "be in the moment" and to discover all the beauty, power and magic that awaits us when we are open to it. The piece begins quietly in A minor, rather plaintively with a simple melody introduced by Choir I. Choir II answers the initial statement in Latin with a chantlike response. Hayes incorporates Latin translations of the English text throughout, both sung and whispered. The piece slowly builds in sonority and harmonic complexity, trading melodic phrases between the choirs, climaxing with the text, "I am alive to the power of this moment, open wide to beauty, to possibility, to mystery, to infinity, to divinity." Hayes concludes the piece in quietness, much as he started, with lush chords framing the phrase "in silentio" while the sopranos whisper into the stillness. This work will beautifully showcase the nuance and dynamic range of your choir.

THREE CHRISTMAS CAROLS FROM POLAND

Beckenhorst Press, BP1700, SATB, \$2.25

Within this octavo are three separate Polish carols arranged by Mark Hayes, each possessing its own musical flavor. "O Come Rejoicing" begins brightly, the dance-like melody skipping across the G-major tonic chord, and then slows and broadens through Verses 2 and 3, ending in a 6-part fortissimo. "Only a Manger Bed" is a slow 6/8 lullaby, with vocal parts full of rich sonorities in A-minor underscored by a flowing arpeggiated piano accompaniment. The ending is pianissimo, a pristine Picardy—breathtaking! While Hayes employs primarily homophonic voicing in these first two pieces, in the 3rd carol, "In Midnight's Silence," he uses canon between the women and men as well as a section in which the tenors and basses act as a 2-part ostinato beneath the ladies' canon. The technique fits so well with the cut-time meter, the lively tempo, and the bright A-major harmonies, and finishes joyously, "Praise to God on high!" The piano accompaniments are somewhat challeng-

ing, and there is some divisi in the vocal parts throughout, but the partwriting is straightforward, so whether programmed as a suite or sung separately, these carols present a wonderful opportunity for fine high school and adult choirs to experience Christmas music from this rich culture.

This heroic arrangement of a time-honored hymn starts with a dramatic, fanfare style call-to-worship with 6-part divisi, building to a thrilling crescendo. The main body of the hymn is in 12/8 meter, with a pulsating, rolling accompaniment that calls for good lyrical singing and attention to phrasing. Interpolated into the arrangement is a quote from "OLD HUNDREDTH" that underscores the general praise lyric and builds to an exciting climax before the final stanza. The arrangement is 6.5 minutes long and is suitable for festival occasions and general worship settings. Partwriting is moderately difficult in some places, but there is ample unison and 2-part writing. WHAT GOD HAS PLANNED

Hal Leonard, 00111661, SATB Divisi, \$2.25

Based on Jeremiah 29:11-14, this Mark Hayes original celebrates the promise that what God has planned for the people who love Him is "more than eyes have seen or ears have ever heard" and is perfect for general worship use. The lyrics are solidly grounded in the scriptures and draw from Psalm 27 and 1 Corinthians 2 as well. Starting with a simple unison melody by the women, the tune is echoed by the men and builds to a powerful chorus in full SSATB writing. Hayes follows this with a fantastic fugal section that gives each voice part a chance to shine. The dynamic ending is majestic and will showcase the range and depth of your choir with full-on divisi partwriting. Hayes' piano accompaniment is orchestral in nature and will delight not only the pianist but singers alike. This relatively challenging piece is more traditional than contemporary, but would work well in a blended or traditional worship service or sacred concert setting.

Hayes masterfully sets this text, opening breathlessly with a gorgeous melody that builds into the powerful statement, "You are the music, O great Jehovah!" Hayes' skill at crafting a melody and creating harmonies that engage listeners has never been more evident. The partwriting is not difficult, but the phrases require control and musical sensitivity. THE FACE OF GOD

Holmes St. Publishing, HSP1014, SAB, \$1.95

Singer/Songwriter Karen Drucker was invited to write "The Face of God" by Rev. Karyl Huntley, the minister of the church where Karen was the music director. The invitation came the night before the service. Rev. Karyl was speaking on "seeing the face of God in everyone you meet." With little time to write, the song came quickly, or as Karen said, "This had to be a download from Spirit." "The Face of God" was a moving part of the service that morning as the congregants sang it to each other, tears streaming down their faces.

This short 8-measure song is simple, yet contains profound truth. We are all created in the image of God. Can you imagine what it would be like to see the face of God in everyone you meet—including the people who push your buttons? Begin by seeing God's face when you look in the mirror.

THE WATER IS WIDE

Alfred Music, 20188, SAB, \$2.25

Mark Hayes has captured the beauty and poignancy of this American folk ballad in perhaps the most effective arrangement ever done. He masterfully treats each of the four verses uniquely, beginning with a simple unison on the beautiful melody. The 2nd verse has the men wistfully echoing the sopranos and altos; the lush 3-part harmonies and broader dynamic level of the 3rd verse cannot help but provoke a profound emotional response in both the performers and the audience. The 4th verse provides contrast as the dynamic level decreases, and the choir has an opportunity to sing a cappella, with the men taking the melody supported by the ladies 3-part echo. Hayes then puts the perfect finishing touch to his arrangement with a musical fade on the line, "it fades away like the morning dew."

As usual, Hayes' piano accompaniment does more than just support the voices, rather playing an active role in developing the piece. High school or community choirs will find it quite accessible and will love singing it, and directors will love it for the chance it gives to teach tuning, well-supported singing, and musical sensitivity.

TO LOVE OUR GOD

Hinshaw, HMC1893; HL08764246, SAB, \$2.55

Commissioned by the Federation of American Baptist Musicians in memory of esteemed publisher and friend, Don Hinshaw, this stirring anthem features an outstanding text by John Parker. The first section is from Ecclesiastes, and explores the transience and vanity of life as expressed by Solomon. Hayes has set this section in a lyrical, haunting minor mode that evokes a sense of longing and emptiness. As the phrase, "All is empty, all is vain" lingers in the air, the choir softly but confidently answers the question with "To love our God is the reason we live, to love our God—the highest call." Hayes has created a stirring anthem which continues to build slowly and steadily to a dramatic conclusion, employing diverse modulations and the use of polyphonic writing. With the exception of a few optional notes in the last chord, the piece is expertly written in three parts and is within the reach of most choirs and will push your choir to sing with great artistry and musicality.

DRY BONES

Jubilate Music, 23609, SSAA, \$1.85

This may be the "definitive" setting of this classic spiritual! The initial section contains some new material by Hayes that tells in a musical story style how Ezekiel heard God speak to him in the valley of the dry bones and what the real meaning behind the song is. The style of the familiar chorus has a Latin feel, and Hayes has set it in a minor key which makes it sound like something you might have heard in a New York nightclub in 1930! Suffice to say the highly rhythmic accompaniment and harmonies are very appealing and entertaining, although very easy to sing. There

is much unison and 2-part writing. The last two choruses are in D major, and sound like an entire graveyard of skeletons are dancing their hearts out—lots of xylophone, congas, brass, sax, and unusual percussion instruments create a surefire program finale. This arrangement is screaming for choreography, and your audience will not be able to sit still.

THE MIGHTY POWER OF GOD

Beckenhorst Press, BP1629, SSAA, \$2.25

Electric, energetic, exciting—this anthem is all of these and more, and now available for women's chorus. Hayes gives Isaac Watts' familiar hymn text the royal treatment with his original score. He uses meter changes and syncopation throughout, and builds the piece around a wonderfully rhythmic melody. Contrast is found in each verse through legato sections featuring satisfying chord progressions in lush 4-part harmony. The bridge is particularly dynamic, alternating between 6/8 and 3/4 meters with 4-part voicing building from piano to fortissimo. This leads to a return of the melody, broadened by augmentation and followed by a rousing finish. The partwriting is straightforward, making this piece accessible to most choirs.

Parts for brass and percussion are available if you wish to enhance the rhythmically challenging piano accompaniment. Suitable for any service, this one is a must for the library of any high school, college, or community women's chorus!

THE WATER IS WIDE

Jubilate Music, 20189, SSA, \$2.25

Mark Hayes has captured the beauty and poignancy of this American folk ballad in perhaps the most effective arrangement ever done. He masterfully treats each of the four verses uniquely, beginning with a simple unison on the beautiful melody. The 2nd verse has the altos wistfully echoing the sopranos; the lush 3-part harmonies and broader dynamic level of the 3rd verse cannot help but provoke a profound emotional response in both the performers and the audience. The 4th verse provides contrast as the dynamic level decreases, and the choir has an opportunity to sing a cappella, with the sopranos taking the melody supported by the 2nd sopranos and altos 2-part echo. Hayes then puts the perfect finishing touch to his arrangement with a musical fade on the line, "it fades away like the morning dew."

As usual, Hayes' piano accompaniment does more than just support the voices, rather playing an active role in developing the piece. High school or community choirs will find it quite accessible and will love singing it, and directors will love it for the chance it gives to teach tuning, well-supported singing, and musical sensitivity.

The exuberant joy of the Christmas season is captured in this festive arrangement by Mark Hayes as he incorporates "Joy to the World," "For Unto Us a Child Is Born," and "O Come, All Ye Faithful" in a wonderful celebration of the birth of Christ. The Handel excerpt lacks the pesky melismas that sometimes prevent choirs from performing this beautiful Messiah selection, but none of the grandeur of the singing of the names of God is sacrificed! A glorious soprano descant floats over the last verse of "O Come All Ye Faithful" and the anthem majestically draws to a close with the last verse of "Joy to the World," both arranged for congregation/audience involvement (reprintable portion included in octavo).

DRY BONES

Jubilate Music, 19223, TTBB, \$2.95

This may be the "definitive" setting of this classic spiritual! The initial section contains some new material by Hayes that tells in a musical story style how Ezekiel heard God speak to him in the valley of the dry bones and what the real meaning behind the song is. The style of the familiar chorus has a Latin feel, and Hayes has set it in a minor key which makes it sound like something you might have heard in a New York nightclub in 1930! Suffice to say the highly rhythmic accompaniment and harmonies are very appealing and entertaining, although very easy to sing. There is much unison and 2-part writing. The last two choruses are in D major, and sound like an entire graveyard of skeletons are dancing their hearts out—lots of xylophone, congas, brass, sax, and unusual percussion instruments create a surefire program finale. This arrangement is screaming for choreography, and your audience will not be able to sit still.

A MIGHTY FORTRESS IS OUR GOD, TTBB

This setting of the time-honored hymn tune is anything but predictable. For use with piano or full orchestral accompaniment, the arrangement makes use of percussive, syncopated rhythms, a brief a cappella section, and exciting modulations. Perfect for an opener or finale in a concert setting, this arrangement will also work in a morning worship context. Partwriting and accompaniment is challenging and would also be well suited to a men's ensemble or small male chorus. If you're looking for something powerful and dynamic with a contemporary edge, check this out!

Instrumentation available. See SATB listing.

BECAUSE OF WHO YOU ARE MEDLEY, TTBB

This moving ballad combines a contemporary song by Billy Smiley and Bob Farrell entitled "Because of Who You Are" with the wellknown hymn, "I Stand Amazed in the Presence." The lyrics give thanks to God for who He is in our lives, not for just for the things He has done for us. Singers and listeners alike will enjoy the worshipful focus of this arrangement. Partwriting is moderate to difficult with some syncopated rhythms in the first song. You will enjoy the lush, 4-part gospel writing for men. Piano accompaniment only.

JOSHUA FIT THE BATTLE, TTBB

Perfect for worship or concert settings. Requires mature high school or college choir abilities, but this exciting arrangement of the favorite spiritual is well worth the effort. Lots of rhythmic interest and some fun "scat singing" along with a surprise ending make this a sure pleaser! Optional guitar, bass and drum parts available.

Instrumentation available. See SATB listing.

JOYFUL, JOYFUL, WE ADORE THEE

TTBB with opt. handbells

Bursting forth with a brass and choral fanfare, this brilliant arrangement explores several exciting harmonic, rhythmic and textural ideas that breathe new energy into this timeless hymn. For school or church settings, it is a tremendous finale or concert encore.

For quality singers (although the rhythms and ranges are not extreme)... there is an a cappella section. As always a fun and challenging piano accompaniment.

Acc. CD and Instrumentation available. See SATB listing.

SOFTLY AND TENDERLY, TTBB with solo

A very popular arrangement of the favorite Raymond Brown song recorded by Cynthia Clawson. Peaceful, sensitive setting of a lovely invitation hymn. Moderately easy partwriting with optional solos and beautiful piano accompaniment.

WE'VE COME THIS FAR BY FAITH, TTBB with solo

Based on Hebrews 11, this contemporary composition exhorts us to "run the race" as Christians and to be encouraged by the example of all the saints who have gone before us. Musically, this anthem is very contemporary, utilizing jazz, pop, and black gospel idioms, similar to the more uptempo arrangements of the Brooklyn Tabernacle Choir. The bridge section features a "hot" solo for a tenor or multiple soloists in a call-and-answer format with the choir. By the time you're finished with this song, the entire audience will be wishing they were on stage singing along. This song makes a perfect concert closer and is suitable for general worship year-round.

Acc. CD and Instrumentation available. See SATB listing.

WHEREVER HE LEADS, I'LL GO, TTBB, \$1.25

This favorite invitation hymn finds itself in a fresh new setting in this Hayes arrangement. Altered-tone harmonies and creative chord substitutions enliven the beautiful melody of this familiar tune with thick textures and rich sounds that engage the listeners' ears. Though primarily 4-part homophonic in texture, there are sections of unison and 2-part that provide contrast and continually emphasize the powerful text. Numerous modulations build excitement throughout the piece to the dynamic, 5-part climax in the 4th verse; then the closing refrain, almost like an echo, prayerfully reiterates, "Wherever, Lord, I'll go." Supported by a somewhat challenging piano accompaniment, this anthem will be a joy for your men's chorus to share in any service, especially one with an emphasis on commitment or evangelism. Moderately difficult.

For this unpublished TTBB title only, no additional fees are required other than the \$1.25 per copy cost shown above.

BEHOLD! GOD'S HOLY LAMB

Exaltation, 55/1093L, SATB; 55/1094L, SAB; \$9.95

Includes: God's Holy Lamb • He Breaks the Bread, He Pours the Wine • Who Prays There in the Garden? • The Shepherd Became a Lamb • Now the Cross is Empty • God's Holy Lamb Reprise

With text by John Parker, narration by Audra Parker and music by Mark Hayes, this 25-minute Lenten work is the perfect choice for Passion Week services. In this work, we experience Jesus metaphorically as God's Holy Lamb, emphasizing Jesus as one who serves, one who prays, one who is sacrificed and finally one who is silenced. The musical is bookended with the majestic and energetic "God's Holy Lamb" which is perfect for Palm Sunday. The reprise incorporates a different text, which speaks of Jesus' resurrection, and concludes with an inspiring rendition of the hymn, "Crown Him with Many Crowns." The reprise is optional for those churches wanting to use the work as a Lenten work only. The middle three pieces explore the suffering of Jesus in the garden of Gethsemane and the cross of Calvary. Hayes' writing features some truly beautiful and haunting melodies and moods. He incorporates J. S. Bach's PASSION CHORALE tune with Parker's original lyrics in "Now the Cross is Empty." In a slow, chant-like cadence we hear "Kyrie Eleison" trailing off to a pianissimo dynamic to conclude this piece.

The narration, requiring two speakers, masterfully ties together scripture with the six musical pieces. The orchestration, written for a smaller, chamber-size orchestra, will truly help portray the grandeur of Jesus' triumphal entry to Jerusalem, his pain and agony on Golgotha, and the glory of His resurrection.

CHILD OF PEACE

Daybreak, 08744192 SATB with solos, narration, opt. congregation, \$7.95 Contact: J. W. Pepper, Product #8067901

Includes: Prepare the Way • Magnificat • Child of Peace • Glory to God • Shepherds, Arise! • Peace Medley • Finale

This celebration of the birth of the Prince of Peace (lyrics and narration by Pamela Martin and music by Mark Hayes) addresses anew all of the aspects of the Christmas story, from the prophecy of Jesus' birth, to the angels and the shepherds, and finally to the promise of peace among all creatures on earth. The narration is a mixture of scripture and introspective reflections on the Christmas season that guide listeners to examine their own hearts and lives and urge them to respond to Christ's offer of peace.

The work opens by quoting motifs from the familiar "O Come, O Come, Emmanuel" and then energetically exhorts all to "Prepare the Way" for the bringer of eternal peace. A variety of musical styles and approaches abound throughout, all bearing the mark of Hayes' expert melodic and harmonic craft. Your choir will enjoy the rhythmic gospel swing of "Shepherds, Arise!" as well as the gentle lyricism of "Child of Peace" and the "Peace Medley." Solo opportunities are found in several of the selections, including "Magnificat," Mary's expression of praise in response to being the mother of the Messiah. Haves weaves settings of some familiar carols and masterworks into his original music as the piece moves toward the dynamic power of the glorious finale. Occasional complex rhythms, 3-part divisi for the ladies, and expanded ranges in the vocal parts present some challenges, but this cantata is well within the reach of good adult choruses and would be an excellent choice for this holiday season as our world cries out for peace. Approximately 40 minutes in length.

A musical theater piece in the style of "Fiddler on the Roof" or "Les Miserables," this tells the story of the Passion of Christ through the experience of three Judaic women who found themselves at the most pivotal points of Jesus Christ's earthly journey: Mary Magdalene, (thought to be Salome); the mother of disciples James and John; and Mary, the mother of Jesus. A collaborative effort by Deborah Craig-Claar who was primarily responsible for the script and lyrics, and Mark Hayes who wrote the orchestrations and original music. This work is meant to be theatrically staged, and works best with live orchestra. It contains a variety of musical styles, from light opera, to musical theater, to contemporary Christian. FAITH, HOPE, and LOVE

(A Choral Triptych)

Roger Dean Publishing, 45/1632R, SATB/SSA with solo, \$7.95

Inspired by a familiar passage of scripture, this 15-minute work is written in three movements, one exploring each theme of the title. "This Is Faith" begins with a treble solo. After growing into soaring passages sung by both choirs, the movement ends with a reprise of the beginning solo and the statement "I believe dawn will rise again. This is faith." "While I Breathe, I Hope" is an energetic and rhythmic contrast to the first piece, full of syncopation and joyous lyrics that communicate a message of hope. "Love Conquers All" celebrates the beauty of creation and that love is what binds us all together. Set in a dance-like 6/8 meter, it builds to a momentous climax and then concludes with a quiet, unaccompanied "Amen" set in a polyphonic style. "Faith, Hope, and Love" may be performed in its entirety or as individual pieces. Either way, this music is perfect for concerts, festivals, or worship services, whether performed with Mark Hayes's own orchestration or piano alone.

Includes: Hosanna! We Sing! • God's House of Prayer • To Show Our Love For God • So Rare a Gift • Torches and Swords • O, My Soul, What Darkness • Death Lay Heavy • Praise the God of Resurrection

<u>Forsaken</u> is a moving cantata for Holy Week and Easter from the creative team of Mark Hayes, John and Audra Parker who brought you <u>Let Heaven and Nature Sing Gloria!</u> Eight choral pieces correspond to eight days in the life of Christ from Palm Sunday through Easter Sunday. Audra Parker's narration, easily performed by two people, summarizes the events of the week and carries the theme of Christ as God's Forsaken.

Hayes' melodies and harmonies cover a spectrum of colors, dynamics and emotions from the joyous, rhythmic setting of "Hosanna! We Sing!" for Palm Sunday and the jubilant "Praise the God of Resurrection" for Easter to the somber "Death Lay Heavy" for Good Friday. John Parker's texts, filled with joy and pathos, help us experience Holy Week in a profoundly new way.

Mark Hayes, Jim Custer and Bob Hoose have joined together to create a dramatic musical presentation for Lent with an optional Easter finale. Custer & Hoose are the nationally-known Christian drama team who performed in evangelical churches across the United States for years. Their creative, "outside the box" perspective on the events of the passion of Christ have helped create an emotional look at the Passion Week through the eyes of some of Jesus' disciples; Mary Magdalene; Mary, the mother of Jesus; Pontius Pilate; and Simon of Cyrene. Each of these characters has a spoken monologue which is interspersed with original choral pieces by Hayes and beloved hymn settings. Musical selections were written to move the drama along, similar to a Broadway theater piece. This work can be performed in a concert setting with minimal props, costuming and staging requirements, yet will have a truly theatrical impact. This work is comprised of eight musical pieces, two of which feature soloists, and eight monologues, approximately 2-3 minutes long. If used as a Maundy Thursday or Good Friday service, the work ends with a solemn a cappella hymn setting. If desired, one may perform an optional final monologue by John, the Beloved, and dynamic resurrection song, "Sing Out," which trumpets the good news of Easter.

HALLELUJAH! WHAT A SAVIOR!

Easter Cantata

Lorenz Publishing, 55/1190L, SATB book, \$9.95;

55/1191L, SATB book/CD, \$14.95

Bring the Passion Story and its impact to life through moving music and Pamela Stewart's compelling narrative. From the euphoria surrounding Christ's triumphal entry into Jerusalem to the desolation of the lonely Garden as He fully embraced God's plan and ensuing death; from the genuine love conveyed to His faithful followers in the Upper Room to the loneliness experienced in His final hours as those same followers rejected and abandoned Him; from the anger that filled the hearts of those who now called for His crucifixion to the tender resignation of a Roman soldier that this indeed was the Son of God; from utter despair as He died on a cross to triumphant joy as Christ's followers began to realize that His prophetic words had become reality. All of this and so much more happened within a single week! Combining the compositional talents of Lloyd Larson, Faye López, R. Kevin Boesiger, Larry Shackley, Molly ljames, Mark Hayes, and Pepper Choplin, this inspiring cantata provides an unforgettable worship experience. It can be used in segments for use throughout Lent or Holy Week or performed in its entirety. With options for choir and piano alone or the addition of either a live orchestra or the accompaniment tracks (available separately), "Hallelujah! What a Savior!" is a powerful resource for choirs large or small.

PRAISE THE GOD OF RESURRECTION

Exaltation, 55/1117L, SATB; 55/1118L, SAB, \$8.95

Includes: In the Beginning Was the Word • God's Holy Lamb • You Are the Bread • King of Tears • Three Crosses of Shame • Praise the God of Resurrection

References to resurrections are often met with skepticism. The resurrection of Jesus is no exception, as it has encountered similar response over the years. That the church's Easter message has withstood the test of time is a living testament to the hundreds of first-century eyewitnesses who saw Jesus in the days immediately following His resurrection and the hundreds of thousands of believers who, down through the centuries, have perpetuated the message of the risen Christ. Praise the God of Resurrection! traverses the breadth of human emotion found in the passion story of our Lord. From joyous hosannas, to hours of solitude and rejection, to glorious alleluias, the pervading theme is that ultimately God is in control. Walking through the last days of Jesus' earthly life, this short cantata is a moving reminder of the power of the Living God. A sensitive blending of scripture and inspired music, this work will enrich Lenten and Holy Week worship services in churches large or small. Features the music of Lloyd Larson, Joseph M. Martin, Ruth Elaine Schram, as well as Mark's contributions of the title song and "God's Holy Lamb".

SEEKERS OF THE LIGHT

A Cantata for Christmas

Jubilate Music Group, 47944, SATB, \$8.99

The world was lost in darkness. Roman oppression weighed heavily and God's people were awaiting a Messiah. There were astrologers...literally following the light of the heavens and prophecies of the coming Messiah. But there were other "seekers of the Light": Mary and Joseph, simple shepherds in a field, and the prophets. Then, it happened. The Light of the World was born. Follow the respective journeys of these "seekers of the light" to learn what we can from their sojourns. May we likewise seek and find The Light for our journey...and transform our lives with a fresh touch of God's miraculous grace and gift of Love. With original music by Mark Hayes and Lloyd Larson, and narration by Pamela Stewart. (30 minutes).

REQUIEM

Beckenhorst Press, C5, SATB with baritone solo, \$10.95

In the tradition of his <u>Te Deum</u>, <u>Magnificat</u>, and <u>Gloria</u> comes the latest major work by Mark Hayes—<u>Requiem</u>. Hayes has set this six-movement, 35-minute work in Latin and English. He incorporates many compositional techniques such as fugal development, chant-like sections, a cappella passages, mixed meter, percussive rhythms and elegant melodies that truly illuminate this sacred text. The *Dies Irae* movement features a captivating baritone solo. There are two orchestrations available, however the rich piano accompaniment alone can fully support Hayes' expressive choral writing. This is Hayes at his best, the culmination of 35 years of honing his choral and orchestral craft.

TE DEUM

Mark Foster, 35022500, SATB divisi with mezzo-

soprano and baritone solos, and organ, \$11.99

Te Deum is Mark's first large work for oratorio chorus, soloists and orchestra. Using the traditional text from the Book of Common Prayer, Protestant Episcopal Church in U.S.A., Hayes has set this text in English but also incorporates sections in Latin. This work is just under 14 minutes in length and features solos for mezzosoprano and baritone. Stylistically this work reflects Hayes' classical training with expansive choral lines reminiscent of Brahms, modal chant-like sections, imitative writing, and a lyric fugal section that wonderfully expresses the closing phrases, "O Lord in Thee have I trusted; never let me be confounded." Hayes uses a rich dynamic palette, with sections that are boldly fully-voiced as well as whisper-soft and meditative. He incorporates a dynamism and energy through his use of driving ostinato in the orchestra and angular, rhythmic vocal lines. This work is suitable for collegiate choirs, festival choruses and church choirs. Consider programming this non-seasonal work as an alternate to one of the traditional masterworks.

Listening CD is available only through J. W. Pepper or Mark Hayes Productions.

Includes: The Spirit of-Self Reliance and Individualism • The Spirit of Equality and Justice • The Spirit of Optimism and Dreams

Written for a festival chorus performance at Avery Fisher Hall, Lincoln Center with the composer conducting, this major work in three movements is both poignant and inspiring. Drawing inspiration from the words of Henry David Thoreau and quoting "Simple Gifts", "Zion's Walls", and "Materna", this is a classic Mark Hayes composition combining stylistic, contemporary writing with a classical foundation. With piano accompaniment, this will be powerful, but with either the full orchestration or the chamber orchestration (both downloadable), it will be unforgettable. THE GETTYSBURG ADDRESS

Heritage Music Press, 15/3080H, SATB; 15/3155H, TTBB, \$2.35

This beloved speech by Abraham Lincoln, once memorized by school children all across America, has been dramatically scored for SATB voices and piano by master composer, Mark Hayes. Perfect for school choirs, community choruses and church choirs alike, this through-composed work is approximately 5 ½ minutes long and is full of inspirational moments. It begins with a stately introduction and introduces the famous "Fourscore and seven years ago" phrase in a heroic motif sung by the men and echoed by the women. Hayes has created true text painting utilizing modal melodies, stark dynamic contracts, tender a cappella sections and a thrilling, soul-stirring climax. Consider programming this for a patriotic or memorial concert, or any program that celebrates the heritage of our great country and the soldiers who have died to protect it. Jeffrey Williams of The New York Concert Review says, "It is a powerful work that does justice to Lincoln's immortal words."

The Gettysburg Address can be performed effectively with piano accompaniment alone or with one of the three instrumentations available.

A FESTIVAL OF KEYBOARDS

A FESTIVAL OF KEYBOARDS

GlorySound, multiple piano CD recording: ND5006 \$15.99

This outstanding recording features world-class pianists Mark Hayes, Stephen Nielsen, Ovid Young, and Jeff Bennett in their first ever 4-piano recording. All titles were arranged by one of the four pianists. This recording features 4-piano, 2-piano, and solo arrangements of classical repertoire, hymn tunes, and patriotic songs.

Selections include: America, the Beautiful • Battle Hymn of the Republic • Built on the Rock, the Church Doth Stand • Come, Christians, Join to Sing • Come, Thou Fount of Every Blessing • Fairest Lord Jesus • Fantasia on Hyfrydol and Diademata • Farandole (March of the Kings) • If Thou But Suffer God to Guide Thee • Improvisation on "Ode to Joy" • Love Divine, All Loves Excelling • Military Polonaise (Chopin) • Near to the Heart of God/ Nearer, My God to Thee • Of Thee I Sing (patriotic medley) includes Dixie • Savior, Like a Shepherd Lead Us • Yankee Doodle

Scores are available for all "A Festival of Keyboards" arrangements from Shawnee Press. Mark Hayes' four titles are:

FANTASIA ON HYFRYDOL AND DIADEMATA

Glorysound, 35006404, One-piano, four hand duet, \$14.99

Two of Christianity's strongest hymn tunes, composed by Rowland Hugh Prichard (1811-1887) and George Job Elvey (1816-1893) respectively, are blended in this arrangement in the form of a fantasia which, according to Hayes, allowed him to create a work that would showcase the dramatic nature of the texts and spin off developmental sections in orchestral fashion.

The lyricism of HYFRYDOL, in triplet time, contrasts effectively with the more majestic and dynamic melody of DIADEMATA in 4/4 time. This is a joy to play and will challenge intermediate and advanced pianists. Perfect for concerts or worship settings. LEVEL: Intermediate to Advanced.

IMPROVISATION ON ODE TO JOY

Glorysound, 35010615, Two-piano, four hand duet book, \$14.99

Beethoven's most famous tune, "Ode to Joy" is featured in this stunning improvisation for two pianists. The sturdy melody is treated in a theme and variations style. The extended introduction is in a neoclassical style, quoting a fragment of a Bach 2-part invention in a toccata-like effect as well as echoes of Beethoven's own piano writing. The first statement of the theme is characterized by contemporary syncopation and followed by a middle section with lush lyricism and rich harmonies (a Hayes trademark). Then comes an impressionistic development reminiscent of Debussy. The arrangement concludes with a "no-holds-barred" proclamation of utter joy in 12/8 meter, not unlike Beethoven's own treatment in his "Ninth Symphony." This duet is for advanced players and is perfect for concert and worship settings alike. LEVEL: Advanced.

OF THEE I SING

Glorysound, 35015865, 4-piano (four book set) \$29.99

This patriotic extravanganza for four pianos will truly move and delight your audiences. This extended work lasts approximately 8:15 minutes. The settings of "Dixie" and "Yankee Doodle" contribute elements of whimsy and lightness. In contrast, the approach to "America, the Beautiful" highlights the simple, yet profound, beauty of this loved melody, supported by some non-traditional harmonies. The middle, developmental section is a musical metaphor for the painful and devastating conflict associated with the American Civil War. Underscoring the tragedy of this conflict is the first statement of the "Battle Hymn of the Republic" with its minor modality and dissonance. The final, technically demanding 12/8 section concludes the piece on a triumphant high note, like a bullet-train going at breakneck speed through the dark to the light of the dawn that awaits it at its ultimate destination.

Perfect for multiple piano festivals, concerts, patriotic emphases, and worship settings, this arrangement will be a rewarding challenge for pianists. LEVEL: Advanced.

SAVIOR, LIKE A SHEPHERD LEAD US

Glorysound, 35019073, Solo piano \$4.99

This marvelous pastoral hymn tune by William B. Bradbury (1816-1868) is characterized by its quiet lyricism. Hayes' arrangement captures the essence of the melody with the addition of lush harmonies that are thoughtful, with just the right number of notes, thus creating an air of gentleness and peace that speaks to the sense of security we are blessed with by abiding in the Shepherd's care. In the second stanza, the minor tonality and eighth note-quarter note pulse serve to convey our spiritual restlessness and the longing we have for the guidance and presence of the Shepherd in our lives.

The final stanza moves refreshingly into C major and concludes with an intimate, almost magical ending. Suitable for communion, offertories, preludes, and weddings. LEVEL: Advanced.

CAROLS WE LOVE

How a Rose E'er Blooming • O Little Town of Bethlehem • Silent Night • Sing We Now of Christmas • The Friendly Beasts • There's a Song in the Air

Lorenz asked several of the top composers of sacred music today to choose two of their favorite hymns and create fresh settings to be included in a new collection, <u>Hymns We Love</u> (70/1573L). The response was phenomenal. As a logical continuation of the series, this year they asked for new settings of two of their favorite carols. Mark chose "Carol of the Bells" and "God Rest You Merry, Gentlemen." As before, we also requested that the composers tell us why they picked their two carols and perhaps why they chose to set them in a particular style. Here, then, is the formidable result: <u>Carols We Love</u>, now ready to be an integral part of your Christmas repertoire for worship services or simply for personal enjoyment. Includes: As The Deer • Bind Us Together • Great Is The Lord • Holy Ground • How Majestic Is Your Name • I Love You, Lord • Isn't He • Majesty • Shine, Jesus, Shine • Spirit Song • There Is a Redeemer • Thy Word

Back in the '70s, the music of the "Jesus movement" was a rebellion of sorts against the status quo of church music. This movement featured folk and rock music with amplifiers, guitars, and drums and had a big impact on contemporary Christian music. It was the beginning of what we now call praise-and-worship music.

Enough time has passed that a compilation of classic praise-andworship music is apropos. I have arranged these songs before, so this time around I've tried to give each melody a new "set of clothes" musically. People born in the '90s or later may not know these songs, so this is a perfect opportunity to introduce these pieces to a new audience.

I have included optional transitions between arrangements where appropriate, to enable the performer to continue the flow seamlessly from one song to the next. LEVEL: Advanced.

Featuring:

- Optional melodic instrumental parts for violin, flute, oboe, trumpet and cello...Even though each piano solo stands alone, these "extras" will help make the ceremony more festive. Individual parts for the instrumentalists are included in a special folder. In many cases optional B^b or C instrument parts are included in case you would rather use a trumpeter instead of an oboist.
- 11 vocal songs...a variety of love songs suitable for use before or during the ceremony. To discourage duplication of the piano/vocal score for your singer, separate leadsheets (melody and lyrics) to all vocal songs have been included in a handy folder. There are even two separate voicings (medium and low) of Malotte's "The Lord's Prayer," a perennial favorite.
- Special binding...The book has a special binding that lays flat on the music rack, regardless of what page you are on.
- A double listening CD...This recording contains everything in the book, performed by professional musicians so that the bride and groom can preview the music in advance. Consider loaning the CDs to them so they can choose exactly what music they would like. It can save you lots of time by not having to "audition" pieces for the prospective bride and groom.
- A double accompaniment CD for vocalists...Now you can loan an accompaniment CD to your vocalists so they can learn the music and save you rehearsal time. Each of the 11 vocal songs have been recorded by Mark Hayes and contain a vocal demo and the piano track.
- Collector's edition art box...The piano book, four CDs and music sheet folder are contained in a lovely art box, which will fit perfectly on your bookshelf.
- Emergency start and stop points...Ever been eight measures into the bridal processional and discover that the bridal party is already at the altar and you need to cadence immediately? Within each processional, there are asterisks showing sections that can be shortened or lengthened in order to time your music to the moment.
- Excerpted and simplified classical favorites...People often want a favorite classical piece performed at a wedding but don't realize that it is an orchestral reduction that may be too long and quite demanding to play. Many of these pieces have been modified so that they retain the integrity and spirit

of the original work, but are more easily played and fit within a limited time frame.

- Chord symbols can help pianists read music and improvise. Since everyone has a different learning style, it can be helpful to see the overall harmonic structure of a piece through the chord symbols, even if one is reading the notes. The intention is not necessarily to encourage improvisation on classical pieces, but this tool can be helpful if one wants to understand Hayes' harmonic choices, especially in the arrangements of contemporary songs.
- How to use this collection...this handy index will show which titles have multiple uses within the ceremony.
- Performance times...The timing of each piece is listed on the contents page. Timing can be especially crucial when planning prelude and processional music. Each piece on the CD has been recorded with all repeats at its full length; however, many pieces can be shortened or lengthened by utilizing the start/stop indications in the music.
- Sample ceremony outline
- Wedding checklist...There are lots of details to consider when planning a wedding and this list will help one stay organized a full nine months before the wedding.

Mark Hayes' vocal solo series, "Our Spiritual Heritage," is a reverent reflection upon the rich legacy of the African American spiritual. Exploring the earliest published resources for fresh inspiration, Mark has crafted unique arrangements for vocal solo and piano. Some songs are immediately familiar to modern listeners. Less familiar songs suddenly surprise and delight with refrains or embedded phrases that are easily recognized precursors to modern favorites. Perhaps most intriguing of all is the inclusion of songs, largely unknown today, that were the most highly favored spirituals of their day. With this first anthology, "Swing Low, Sweet Chariot and Other Songs from the Hampton Institute" (taking its inspiration from the 1874 collection, "Hampton and Its Students"), amateur singers will discover an important gateway to their knowledge of this distinctive musical form, and professional singers will delight in a new resource for performance in recital halls and sanctuaries. Includes: A Time for Everything • Arise, My Love and Come Away • How I Love Your Word • Make a Joyful Noise • Prepare the Way of the Lord • Psalms, Hymns and Spiritual Songs • Refuge and Strength

This collection in Mark Hayes' vocal solo series contains seven original settings of various scriptures in a wonderful variety of styles and moods. The collection opens with the upbeat "Psalms, Hymns, and Spiritual Songs," a setting of several verses from Ephesians 5 that extol music as a sincere form of praise to God. "How I Love Your Word" follows: a tender, lyric piece with a captivating melody and text from Psalm 119 that speaks of the treasure of God's word. Another gentle, flowing selection in this release is "A Time for Everything," a through-composed piece with a gorgeous melody, which quotes the first eight verses of Ecclesiastes 3, reminding us that there is "a season for everything under heaven." "Arise, My Love, and Come Away" is lilting and dance-like, and

draws from Chapters 2 and 8 of Song of Solomon. These passages are considered an allegory for God's love for his people, and are often performed in wedding songs, as well.

Songs with spirit and power are included, too: "Refuge and Strength" (from Psalm 46) boasts a driving beat and syncopation in the first section contrasted with a legato middle section. "Prepare the Way of the Lord" (from prophecies of Isaiah) opens and closes with stately recitatives that surround an exciting, upbeat section telling of the coming of the Lord. In "Make a Joyful Noise," based on Psalm 98, the collection ends as it began: with a rhythmic, joyful song of praise. These songs could be used in worship, concerts, or recitals; available in medium high and medium low voicing with listening/accompaniment CD.

The second release in this vocal solo series is even better than the first. Hayes has crafted ten arrangements for the Christmas season, each of which runs the gamut stylistically. The playful setting of "Bring a Torch, Jeannette Isabella" features an optional French text and is set in a true art song style. "Jesus, Oh What a Wonderful Child" will have your audiences wanting to clap along with its black gospel feel and improvisatory style. "The Coventry Carol" blends a taste of "Jesu, Joy of Man's Desiring" in a minor mode with this poignant carol. All is Well

Mark Hayes Music

Starting with a verse of the beloved hymn, "It Is Well With My Soul," Mark has crafted a beautiful new chorus that simply affirms the spiritual truth that "all is well" no matter what Life brings us. This chorus is simple enough to be sung as a congregational song or can be sung as a solo. It is set in a ballad style, with a slight R&B groove that builds toward the 4th verse, which proclaims, "All is joy!"

Takin' Back My Mind

Mark Hayes Music

"Takin' Back My Mind" is a pop vocal solo with attitude and a little Motown vibe going on. It's rhythmic, free-spirited and has a great hook. The verse talks about how that little black cloud seems to follow us around and sabotage our day with lots of negative self-talk. However, we can decide to "take back our mind", use the spiritual principles that Spirit gives us and choose the "higher way".
